

## HUSQVARNA R 214C

Efficient Rider with 94 cm Combi cutting deck, offering first-class BioClip® and rear ejection cutting. Suitable for home- and landowners who require high efficiency, ease of use, superior manoeuvrability and a truly enjoyable ride. The articulated steering system and front-mounted cutting deck means intuitive operation, excellent mowing accessibility and great overview of your working area. Pedal-operated hydrostatic transmission, easy-access controls and automatic blade engagement, makes mowing a pleasure. The cutting deck is easily tilted up into service position for easy cleaning after mowing. This Rider can do so much more than cutting your lawn. Thanks to attachments such as snow blade, trailer, moss rake and spreader, it can maintain your garden all year round.

### Service position

Service position on the cutting deck facilitates cleaning and service.

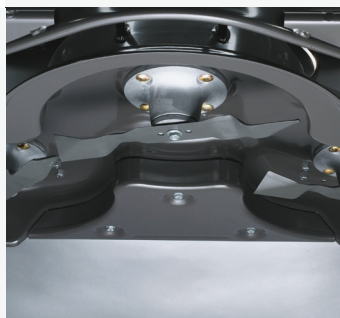

### Versatile usage

A wide range of cutting decks and attachments will make your front mower exceptionally versatile, all year round.

### BioClip®

BioClip® (mulching) provides excellent cutting results on frequently cut areas. The grass is cut into fine pieces that quickly decompose and return to the lawn as natural fertiliser.

### Turn key start

Easy to get operating under any weather conditions. No choking needed, just turn the key and go.
