

HUSQVARNA 420EL

Electric-powered 2000W chainsaw with 16" bar for private use, or by non-garden professionals such as carpenters and electricians. Offers supreme overall performance, manoeuvrability and ergonomics, thanks to excellent cutting performance, robust design and slim body. Instant starting, high chain speed, 5 metre cord, comfortable soft-grip 90° front handle and convenient tool-less chain tensioning make it ideal for homeowners, indoor use and craftspeople.

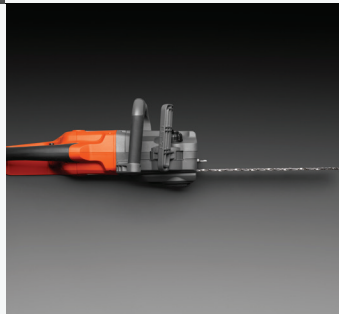

**Window for oil level: 1502
420EL: 146934**

Tool-less chain tensioning

Quick and easy chain tensioning and assembling of the bar and the chain without using any tools.

**Easy to handle: 1501 420EL:
146934**

**Ergonomic handle: 5591 420EL:
146934**
