

## HUSQVARNA 520iHD60

Lightweight, quiet and battery-powered hedge trimmer for commercial use with 60cm long double-sided cutter bar. New proprietary motor and new powerful battery will allow you to maximise your working time. The pivoting rear handle makes it easier when cutting both vertically and horizontally.

### Petrol performance

The battery back provides an equally high power, reliable operation and long lifetime as petrol-driven machines – without any direct emissions. Also, you get as much done on a single charge, as you would manage on one tank of petrol.

### Well balanced

Well balanced for easy handling.

### A flexible battery system

The high performing Husqvarna battery system offers a wide range of options, from lightweight integrated- to backpack batteries. The batteries within our system are built to be used over a long time, are quick to recharge and even quicker to swap for continuous use. Our battery system allows flexible use in different Husqvarna tools and you will always find a tailored battery solution that perfectly suits your task at hand.

### Intuitive key pad

The key pad is very easy to operate.
