PRODUCT DESCRIPTION

DS 500 is a medium-size drill stand, suitable for a wide range of professional core drilling operations. Combines high stability and sturdiness with surprisingly low weight. The quick connection features and low weight make handling easy and efficient. The slim-design carriage with optimised gear ratio works exceptionally well with Husqvarna DM 400, DM 430, DM 370 and similar high-powered 1-phase drill motors.
