

Xplorer Backpack 30L

A comfortable, high-quality backpack for all weathers. The durable TPU/ripstop material keeps the inside dry and also makes the backpack easy to clean. There are large compartments, for instance for your laptop, and a roll-up seal that can be closed in two ways to keep water out.

Mesh pockets

The stretch mesh pockets on each side are perfect for accessories, for example a water bottle or thermos.

Roll up seal

The top seal is quickly snapped and can be closed in two ways to keep water out.

Accessible large compartment

For clothes, gear and tools, the large compartment can be quickly accessed from two ways.

Laptop compartment

For comfort and protection, the padded laptop compartment is accessible from both the top and side.
