## GB, IE

Husqvarna Automower® 535 AWD EPOS® is a highly effective robotic mower with all-wheel-drive, developed for the most challenging areas within commercial turf care. The satellite-based Husqvarna EPOS® technology enables wire free installation, reducing downtime and allowing you to customise different work areas and set temporary stay-out zones. Thanks to the AWD system, the mower efficiently handles obstacles, tough terrain, and slopes with up to 70% (35°) incline. Adapted for corporate and municipal estates, it offers easy interaction and supervision

through Husqvarna Fleet Services™. Satellite correction data can be received via the Husqvarna Cloud at no additional cost, provided a constant internet connection via a mobile network is available. Where mobile network coverage is limited, or where the highest possible level of accuracy is required, the use of an EPOS® RS5 or EPOS® RS 4G reference station is recommended.

## Capacity

	GB, IE
Area capacity	6,000 m <sup>2</sup>
Maximum slope performance at boundary	27
Maximum slope performance at boundary	50 %
Maximum slope performance inside installation	70 %
Max active time	24 h
Follow guide	Virtual transport path
Charging system	Automatic

## Cutting System

	GB, IE
Cutting system	5 pivoting razor blades
Cutting height max	70 mm
Cutting height min	30 mm
Cutting width	22 cm
Cutting height adjustment	Electric
Skid plate	Yes

Dual cutting direction	Yes
------------------------	-----

---

## Product data

	<b>GB, IE</b>
GTIN-13/EAN	7333377550261
Brand (Ext. Matl Group)	Husqvarna
Colour	Orange
Sound level perceived	60 dB(A)
Protection Index (IP Code)	IPX4
Battery capacity	8 Ah
Charging current	7 A
Typical mow time on one charge	145 min
Mean energy consumption per month at maximum use	25 kWh
Battery Chemistry	Li-Ion
Handle type	Integrated

## Control

	<b>GB, IE</b>
User Interface	Professional User Interface/App
Display	None
Schedule	Yes
Connectivity	Bluetooth®, Cellular

App controlled	Husqvarna Fleet Services
----------------	--------------------------

Smart Home integration	Yes
------------------------	-----

Firmware Update	FOTA
-----------------	------

## Overall dimensions

### GB, IE

Packaging height	406 mm
------------------	--------

Packaging length	1,195 mm
------------------	----------

Packaging width	657 mm
-----------------	--------

Weight (complete product w/o side packed articles)	18.1 kg
--	---------

Product size length	93 cm
---------------------	-------

Product size width	55 cm
--------------------	-------

Product size height	33 cm
---------------------	-------

## Safety

### GB, IE

GPS Theft tracking	Yes
--------------------	-----

PIN code	Yes
----------	-----

Alarm	Yes
-------	-----

Lift sensor	Yes
-------------	-----

Tilt sensor	Yes
-------------	-----

## Equipment

	GB, IE
Charging station	Yes
Extra blades	0 pcs
Wheel brushes	No
Power supply unit	Yes
Low voltage cable	10 m
