all pro 36 V tools

1.44 kg
weight
superb weight-to-capacity

The Husqvarna 40-B220X is a versatile 36 V battery with 6 Ah capacity and 216 Wh of energy, ideal for most professional applications. State-of-the-art cells give it an excellent weight-to-capacity ratio at just 1.44 kg, and it fits every professional Husqvarna 36 V product. ActiveCool cools the battery during operation and charging, the IPX4-rated design is built for all-weather use, and built-in Bluetooth® connects it to Husqvarna Fleet Services™ to track location, charging cycles and battery health.

KEY FEATURES

ActiveCool
Active cooling during charging and discharging keeps the battery fully productive in demanding conditions and prolongs its life.

Weatherproof (IPX4)
Meets the IPX4 water-resistance classification for reliable, year-round use in all weather.

Good grip and visibility
Grippy side clips make the battery easy to handle, and orange details make it easy to spot on site.

Intuitive user interface
Clear LEDs show charge level, battery temperature warnings and Bluetooth® connection status.
