HUSQVARNA | MULTI-BAY BATTERY CHARGER

40-C1000X4

High-power charging for four BLi-X batteries at once – in the workshop, on site or in the truck.

Charges Husqvarna BLi-X 40V batteries

1000 W	**4**	**IPX4**	**8.2 kg**
total charging power	battery slots	water resistant	weight
up to 600 W per slot	BLi-X 40V batteries	all-weather use	520 × 353 × 249 mm

The Husqvarna 40-C1000X4 is a multi-bay charger, transport box and battery storage in one unit. It charges up to four Husqvarna BLi-X 40V batteries at the same time, with up to 1000 W of total charging power and up to 600 W per slot. Smart load balancing shares that power across the inserted batteries, so the whole set charges quickly and efficiently. LED indicators on the outside show charging status without opening the lid. The IPX4-rated housing resists water for year-round use in all weather, shock-absorbing bumpers protect it and stop it sliding, and folding lid and side handles make it easy to carry. Units stack for space-saving storage, a padlock or wire lock protects batteries and charger from theft, and a small compartment in the lid holds tools or spare parts.

KEY FEATURES

High-power smart charging

Up to 1000 W in total, balanced across all four slots, for short charging times and more uptime.

Weatherproof (IPX4)

Water-resistant housing for reliable charging all year round, in all weather conditions.

Stackable design

Units stack neatly for space-saving storage in the workshop and during transport.

Theft protection

Attach a padlock or wire lock to secure both the batteries and the charger itself.

ELECTRICAL	
Input voltage	100–240 V
Frequency	50/60 Hz
Rated current	6 A
Charging current	14.5 A
Total charging power	Up to 1000 W
Power per slot	Up to 600 W

DIMENSIONS & WEIGHT	
Dimensions (W × D × H)	520 × 353 × 249 mm
Weight	8.2 kg
Article no.	970 70 48 02

BATTERY COMPATIBILITY	
Battery system	Husqvarna BLi-X 40V
Battery slots	4
Load balancing	Yes, smart charging
Status display	External LED indicators

HOUSING & HANDLING	
Water resistance	IPX4
Bumpers	Shock-absorbing, anti-slip
Handles	Foldable lid handle, side handles
Stackable	Yes
Theft protection	Padlock / wire lock point
Tool compartment	Yes, in lid
